## Scientific committees of conferences and workshops

### Scientific committees of conferences and workshops

C.Silva was a member of the scientific committee of the Workshop on Electric Fields, Turbulence and Self-Organisation in Magnetised Plasmas, July 2010, Dublin

H. Fernandes was a member of the scientific committee of the Satellite Meeting on Liquid Metals at the SOFT Conference, September 2010, Portugal

## Management activities

### Management activities

H. Fernandes was a member of the administrative council of IPFN.

H. Fernandes was the treasurer of the Portuguese Physics Society

H. Fernandes was a member of the School Assembly at IST

H. Fernandes was a member of the Fusion4Energy Technical Panel

## Refereeing of scientific publications

### Refereeing of scientific publications

H. Fernandes served as referee for Fusion Engineering and Design

V.V. Plyusnin served as referee for Nuclear Fusion and Plasma Physics Contralled Fusion

H. Fernandes served as referee for Transactions on Nuclear Science

H. Fernandes served as referee for Fusion Engineering and Design

H. Fernandes served as referee for Review of Scientific Instruments

J.Sousa served as referee for IEEE Transactions on Nuclear Science

B. Carvalho served as referee for IEEE Transactions on Plasma Science

B. Carvalho served as referee for Fusion Science and Technology

C. Silva served as referee for Plasma Plasma Physics Controlled Fusion

## Refereeing of projects

### Refereeing of projects

Example: N. Surname served as referee for Funding Agency X.
